

St Leonards School

Strategic Plan

2024-2025

School ID Number 3829

St Leonards School

Our Vision

To help children be creators, communicators, critical thinkers and kind human beings that value the taiao and the people in it.

Our Motto

Learning for Life

Our Values

Active learners

people who try to be the best they can be at all activities

Self Managers

people who make good choices and are in control of their time, tools, learning and selves

Problem Solvers

people who are willing to take risks and learn from mistakes

Involved

people who ask questions, are curious and challenge the status quo

Respectful of others

people who care for others and will listen and consider other points of view

Environmentally Friendly

people who leave a place better than when they arrived.

Strategic Goal 1

Empower and develop skills for learning, relationships and well being, both now and in the future with resilience, critical thinking and confidence.

NELP Objective 1.2, 2.4 and 4.7; EaTA 127.1

Strategic Goal 2

To embed a healthy sense of community, by engaging whānau and the wider West Harbour community, promoting roll growth.

NELP Objective 1.2;

Strategic Goal 3

To create an inclusive environment that values diversity and gives effect to TeTiriti o Waitangi.

NELP 1.1, 2.3, 3.5, 3.5; EaTA 127.1b, c, d

How did we create these goals?

Our school community was consulted through surveys, and both children and parents were asked to record their aspirations at our annual Matariki Celebration. This information, combined with anecdotal evidence from the teaching staff, was the basis of a robust conversation with the Board of Trustees, who produced the following strategic goals.
